Dedication

PHS

We, the 1967 Seniors, respectfully and gratefully dedicate this edition of the Aqua Oaks to our parents and guardians. We can never express our love and appreciation for the sacrifices and understanding which have made our graduation possible.

Mr. Kirk Says . . .

No school is better than the Students and faculty who walk its halls. It makes a contribution to society only as definite purposes, goals, and standards are achieved.

To achieve these standards each student must have the spirit of learning, the spirit of success and accomplishments, the spirit of harmony, the spirit of good sportsmanship, and above all the spirit of reverence.

Much effort has been put forth in preparing this yearbook, and we hope it will be cherished and bring many pleasant memories of meaningful experiences we have shared together.

Plainview Basketball

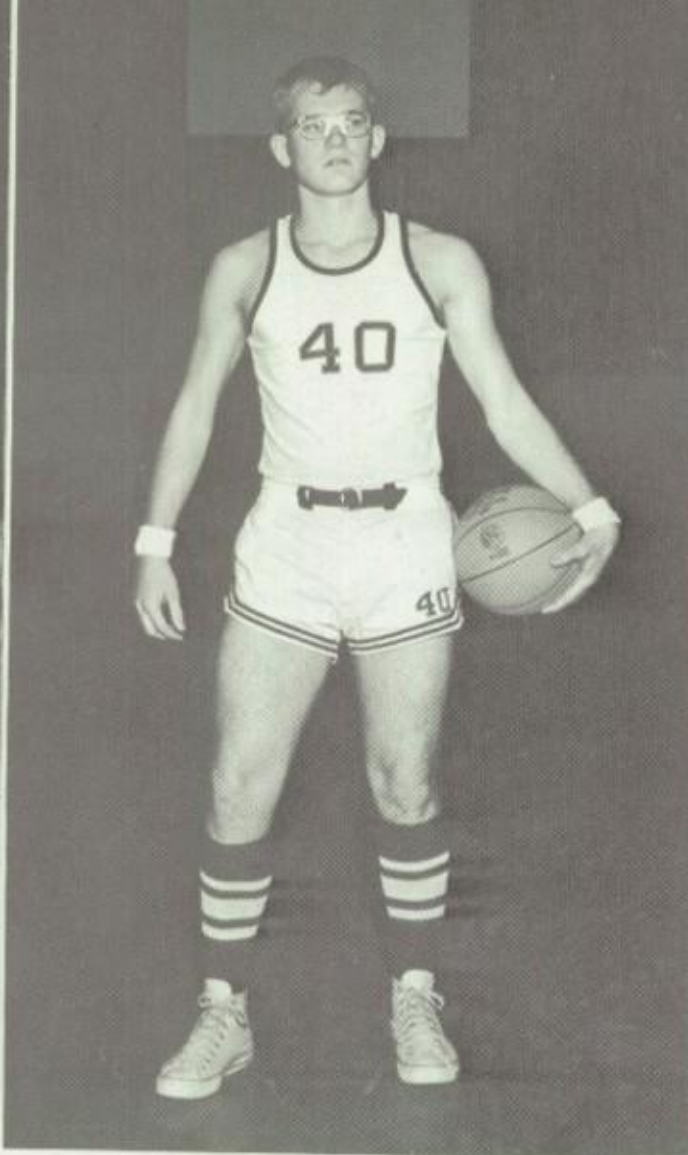

The Plainview High School basketball team finished their most successful season with a 24-6 record. This successful season was made possible by the fine leadership & performance of such boys as Bud Parker, Don Barksdale, Howard Horton, & Joe Scott & Ed Burke. The Bears finished second in the Sand Mountain Tournament, third in the County Tournament, third in the Boaz invitational, and second in the Regional. Some of the most satisfying victories of the season were the victory over Boaz in the Sand Mt. Tournament, two fine victories over rival Sylvania (the one at Sylvania being the first ever for the Bears), two victories over rival Fyffe, and two victories over Ider. Bud Parker was named to the All-Sand Mt., All County, and All-Regional Team, and led the team in scoring and rebounding. Donnie Barksdale and Howard Horton were named on the All-Region team and were two fine performers for the BEARS.

This is not the end.
It is not even the
beginning of the end.
It is rather the end
of the beginning.

SAND MOUNTAIN ELECTRIC COOPERATIVE

Organized 1940

Owned by Members Served With TVA Electricity

Financed by REA Loans

The trustees and employees recommend and urge all high school graduates to continue their education in college, vocational, or trade school.

The Cooperative has a policy of employing only those who have at least finished high school and preferably those with more education. All employment is through referral after testing by the Alabama Employment Service.

STAFF'S FAREWELL

The time to end the 1967 Aqua Oaks has come but it will not be the end of proms, classes, banquets, and football games. We, the annual staff, hope to have captured the Spirit of PHS that has brought many happy times and helped make friends. In years to come we hope this book will bring back precious moments that you enjoyed at Plainview High School.
